**Criterion 1: Statement of Professional Responsibility**
This statement is printed on page 6 of the application.

**Action/Evidence Required**
- Submit signed Statement of Professional Responsibility.

**Criterion 2: Practice Statement**
Practice statement describing the scope and extent of one’s current Healing Touch practice.

**Action/Evidence Required**
Submit a one-page, single-spaced, statement describing your current Healing Touch practice that includes the following:
- Setting/location in which you practice
- Average number of clients for which you provide Healing Touch (average per week or month)

**Criterion 3: Continuing Education**
Documentation of 75 continuing education hours acquired during the previous five-year certification period from one of two categories: Category A, Healing Touch and other energy-based studies; and Category B, personal and profession development. **Twenty (20) of these hours must be acquired in the most recent two years.** These offerings may be obtained through professional development and advanced practice courses, the annual Healing Beyond Borders conference, other professional conferences such as American Holistic Nurses’ Association conference, repeating Healing Touch courses, and/or correspondence and home-study courses, including online courses.

**Action/Evidence Required**
- Complete the Continuing Education Form on page 7 of this application.
- At least 37 education hours must be related to Category A (energy-based healing).

Application Review Information

Feedback to Applicants
Applicants receive a letter indicating the status/outcome of the evaluation.

Approved: The applicant will receive a letter of approval from the Healing Beyond Borders Certification Board and a Certificate of Certification as a HTI Healing Touch Practitioner (CHTP).

Approval Pending: This status indicates action required by the applicant to meet the certification requirements and is accompanied by a “feedback report.” This report provides direction for submission of additional material(s) as requested by the reviewers. Applicants have 30 days to submit updated materials. If the resubmitted materials meet the criteria, the application will be designated as “Approved.” If the materials do not meet the criteria, the application may be designated “Not Approved.”

Not Approved: This status results from a consensus of the Certification Board. The letter will clearly indicate the reasons and rationale for a “Not Approved” status. An appeal process is available for those receiving a “Not Approved” status and is outlined in Appendix 1 of this document.

Grievance Procedure
If an applicant receives a “Not Approved” and disagrees with the decision, she/he may appeal in writing to the Healing Beyond Borders Certification Board within 60 days of notification.

The Healing Beyond Borders Certification Board will consider the appeal and respond to the applicant within six (6) weeks of receiving the appeal request. Their response will either confirm the “Not Approved” status or will modify the status as warranted.

The applicant must send 4 copies of the original packet and letter of appeal to:
